Who is this course for?

Our Discover English course is for kids aged 8-11 who want to improve their English in an online international environment. As well as improving their language skills they will meet other students from all over the world and learn about other cultures through our weekly themes. This course gives students an international experience from their own home with a range of social activities for students to enjoy.

SUMMARY

Course Content

Students will follow a programme of 4 hours of English lessons and 1 hour conversation club each week after which they will have a choice of daily activities to take part in. Activities include music, art, sport, drama, book clubs, dance, movie clubs, meet the animals and so much more!

All lessons are delivered by qualified English teachers with experience teaching young learners. Students follow our weekly themes which allow them to improve their English while learning about other subjects. These include:

- **Environment (Our Planet)**
- **World Culture (Our World)**
- **News and Environment (Our Space)**
- **Science and Technology (Our Future)**
- **Society (Our Community)**
